

## Prior Authorization Request Form for Post-Acute Inpatient Admission (SNF, LTACH, Acute Rehab)

Medica Central Health Plan requires that providers obtain prior authorization before rendering services. If any items on the Medica Central Health Plan Prior Authorization list are submitted for payment without obtaining a prior authorization, the related claim or claims may be denied as provider liability.

Please note that written documentation from the medical record supporting the stay must be submitted for all requests. Failure to do so may result in a delay of the decision.

Submission of this completed form certifies that the information is true and accurate. All fields are required for processing your request.
