**Coverage of any medical or drug intervention discussed in this document is subject to the limitations and exclusions outlined in the member's benefit certificate or summary plan description (SPD) and to applicable state and/or federal laws.**

**Medicare Advantage Insurance**

- Review the **Medicare Coverage Guidelines**, established by the Centers for Medicare & Medicaid Services (CMS) to determine which services require prior authorization. According to the guidelines, all medical care, services, supplies, and equipment must be medically necessary.
- In scenarios where CMS does not provide guidance on the particular medical care, service, supplies, or equipment, we will use MCG (formerly Milliman Care Guidelines) criteria or our medical policy. See our **Medical Services Prior Authorization List** (PDF) to review medical policies relevant to the services you are requesting.
- Prior authorization can be submitted by the provider, member, or member's representative.
- Network providers please submit prior authorizations through the [Availity Essentials Portal](#).

**Coverage of any medical or drug intervention discussed in this document is subject to the limitations and exclusions outlined in the member's benefit certificate or summary plan description (SPD) and to applicable state and/or federal laws.**

### **Prior Authorization Information**

- *The codes listed on this document may **not** be an all-inclusive list of codes that require prior authorization and/or have coverage limitations.*
- *Use the current applicable CPT/HCPCS code(s). The following codes included in this document are for informational purposes only and are subject to change without notice. Inclusion or exclusion of a code does not constitute or imply member coverage or provider reimbursement.*

#### **Codes that require prior authorization:**

- Providers are responsible for submitting prior authorizations for Medica Central Health Plan members with IFB, EHP EPO or POS (In-Network Provider) plans.
- For all other providers, Medica Central Health Plan EHP PPO members need to verify that their providers have submitted a prior authorization before the service is performed in order to avoid incurring additional financial liability.

#### **Codes that do not require prior authorization:**

- A prior authorization is NOT required when provided by an in-network provider under the member's plan.
- A Prior Authorization will NOT be processed for these requests and will be cancelled as not required if submitted.
- An appropriate diagnosis code must appear on the claim; claims will deny in the absence of an appropriate diagnosis code.
- If a claim is submitted without a diagnosis code considered Medically Necessary, the claim will deny unless coverage is mandated by state/federal laws.
- If these services are provided by an out-of-network provider for an EPO or HMO, use of an out-of-network provider must be authorized prior to the service.
- Denied claims will be addressed through the provider appeal process.
- Prior authorization is not required. However, services with specific coverage criteria may be reviewed retrospectively to determine if criteria are being met. Retrospective denial may result if criteria are not met

#### **Codes that are not covered:**

- A Prior Authorization will NOT be processed for these requests and will be cancelled as not covered if submitted.
- Prior authorization, if submitted, will be cancelled as not covered for the service.
- If a claim is submitted the claim will deny unless coverage is mandated by state/federal laws.
- Denied claims will be addressed through the provider appeal process.
- Claims for this service are subject to retrospective review and denial of coverage, as investigative services are not eligible for reimbursement

Coverage of any medical or drug intervention discussed in this document is subject to the limitations and exclusions outlined in the member’s benefit certificate or summary plan description (SPD) and to applicable state and/or federal laws.

**Providers without Access to the Medica Central Health Plan Provider Portal**

If the provider does not have access to Availity Essentials Portal, request is for an ASO member, or for a medical injectable, please follow steps below:

- The various Authorization Request forms can be found on the [Medical Management page of Medica Central.com](#);
- Authorization request forms should be mailed, emailed or faxed on the date the request has been completed to ensure timely processing of the authorization request;
- Please complete all fields on the top part of the form in their entirety, otherwise the Medica Central Health Plan Utilization Management Department will return it to the referring physician for completion.
- When an authorization is requested to a non-contracted provider, please include as much information as possible regarding why the request is being submitted and the plan provider(s) that the member has already seen. The Medica Central Health Plan Utilization Management Department will review the authorization request to ensure that (1) medically necessary care has been requested and that (2) the service(s) requested are not available with plan providers.

All written Authorization Request forms must be either faxed, emailed or mailed to Medica Central Health Plan using the following information:

<b>Fax Number</b>	<b>(608) 252-0830</b>
<b>Email</b>	<a href="mailto:ifbhealthmanagement@medica.com">ifbhealthmanagement@medica.com</a>
<b>Mailing Address</b>	Medica Central Health Plan ATTN: Utilization Management P.O. Box 56099 Madison, WI 53705

**NOTE:** Any prior authorization submitted as ‘Medically Urgent’ that does not meet the definition of medically urgent may be changed to non-urgent/standard. This determination is made only by medically licensed personnel, and includes a call to the requesting provider’s office advising of this change and determination.

**NOTE:** Only services that are not provided within the Medica Central Health Plan provider network are considered for approval with a non-contracted provider.

**Coverage of any medical or drug intervention discussed in this document is subject to the limitations and exclusions outlined in the member's benefit certificate or summary plan description (SPD) and to applicable state and/or federal laws.**

## **Carelon Prior Authorization**

Medica Central Health Plan is partnering with Carelon, a utilization management (UM) program third-party vendor, to support the provider submission and medical necessity review process for all related authorizations. These select MSK, cardiology and high-tech radiology procedures and services will include but are not limited to: hip, knee and shoulder arthroscopy; various interventional pain management injections such as sacroiliac joint injections; imaging such as MRI, MRA and CT scans; angioplasty and stent placement; implantable pacemakers; and vascular imaging.

Prior authorization requests for musculoskeletal (MSK), cardiology or radiology services managed through Carelon, please [submit to Carelon here](#). See Carelon's [cardiology policies](#), [radiology policies](#) and [MSK policies](#)

The Carelon provider portal is available 7 days a week, fully interactive, and processes requests in real time using clinical criteria. Or call Carelon toll-free at 1 (833) 476-1463, Monday through Friday, 8 a.m.-5 p.m. CT.

Excluded services include:

- Procedures performed in an inpatient setting (i.e., those services performed during an inpatient stay) or on an emergent basis (i.e., those services performed as part of being evaluated at the ER and prior to the patient's discharge from the hospital) are not included in the Carelon cardiology and radiology programs.
- Procedures performed on an emergent basis (as part of being evaluated at the ER and prior to the patient's discharge from the hospital) are not included in the Carelon MSK program.
- Applicable to the following Medica Central Health Plan product lines:
  - Commercial – Medica Health HMO, Medica Health POS and Medica Health PPO
  - Administrative Services Only (ASO) includes SSM Health Employee Health Plan and Medica Employee Health Plan

Coverage of any medical or drug intervention discussed in this document is subject to the limitations and exclusions outlined in the member's benefit certificate or summary plan description (SPD) and to applicable state and/or federal laws.
