

# How to Look-up WellFirst Health Providers

1. Go to [Wellfirsthealth.com](https://www.wellfirsthealth.com)
2. Click on **"Find A Doctor"**

3. To find a doctors like optometrist, podiatry, urology, etc. click on **"Find a Doctor"**

- From here, you can search by provider's last name, speciality, if they are accepting new patients, and if they are primary care provider
- When you have your search criteria entered click on the "Search" button

**TIP!**  
You may have you change the location zip code
