

Provider Portal Registration Guide

The secure Medica-central Provider Portal allows users 24/7 access to resources and self-service applications to simplify everyday tasks, promote efficiencies in business, and streamline electronic transactions.

Individuals need to register in order to create a Provider Portal account. Once a Portal account is created and verified, users can access information and perform tasks specific to their assigned Portal role(s). This Provider Portal Registration User Guide details the registration process to create individual and organization Provider Portal accounts.

Google Chrome is recommended for optimum performance when using the Provider Portal.

Table of Contents

I. Access the Provider Portal.....	2
II. Create An Account	2
III. Organization Registration	3
IV. Individual Registration	6

I. Access the Provider Portal

Access the Medica-central Provider Portal at <https://providerauth.mo-central.medica.com/>.

Note: At no point during the registration process can you go back to a previous screen. If information needs to be corrected, you will be required to restart the registration process. Please verify all information is correct before continuing to the next screen.

II. Create An Account

To begin registration, click Sign up at the bottom of the *Log In* page.

There are two types of Portal accounts:

- **Individual** – for new individual users registering to have access to an existing Provider Portal account for an organization.
- **Organization** – for an organization registering to create a new Provider Portal account.

Tip
An Organization account must be registered before Individual users can register.

All individual users registering to gain access to an existing Organization account must register with the same Tax ID and NPI that was used when the Organization account was created. If either the Tax ID or NPI do not match, a new account will be created for the organization. This registration may be denied in order to prevent multiple accounts from being created for the same organization.

III. Organization Registration

To register as an organization, select **Organization** as your account type and enter the most commonly billed National Provider Identifier (NPI) and Tax Identification Number (TIN) that your Organization uses when conducting business. (All Organization registration should be completed using an Organizational NPI rather than a professional NPI.) Then, click **Continue**.

If you are registering as a new user under an existing Organization account, refer to the Individual Registration section of this user guide (page 6).

Please select your account type

Individual Select to register a new individual user under an existing Organization account on the Provider Portal

Organization Select to register your Organization for the first time

NPI **TIN**

To safeguard access to data, registration will be finalized at the health plan. Expect to receive a communication regarding your access within two business days of this request.

Continue

Already have an account? **Log in** instead.
Google Chrome is recommended for optimum performance.

Tip

If an Organization account has already been registered with the NPI and TIN entered, the following error message will appear:

4352 : An existing Organization was matched for the given NPI and TIN. Please select Individual to continue to register as a Individual with this Organization.

Please verify the NPI and TIN are correct. If so, please register as an Individual. If not, correct the information and proceed.

Complete the brief **Questionnaire** for your Organization and click **Continue**. The selected information will be used to populate the Organization information on the next screen. If any of the information does not appear correct, select the most appropriate as it can be changed on the next screen.

Questionnaire

Please select your most recent address:

- 132 SAMPLE LANE
- 999 PROVIDER DR
- 456 DOCTOR AVE
- 321 PHYSICIAN BLVD

Please select your name:

- DOCTORS OFFICE INC
- HELP HOSPITAL INC
- HELPFUL PHYSICIANS LLC
- HEADS SHOULDERS KNEES AND TOES CLINIC

Please select your primary taxonomy:

- 123456789X DOCTORS OFFICE
- 111X222333 PROFESSIONAL SERVICES
- 999Q12345X MEDICAL PROFESSIONAL
- 987654XX01 HEALTH SERVICES

Please select Doing Business As:

- PROFESIONAL DOCTOR OFFICE
- HELPFUL HOSPITAL
- HELPFUL PHYSICIAN NETWORK
- HSKT CLINIC

Google Chrome is recommended for optimum performance.

Tip

This information is pulled directly from the National Provider Registry. If none of the options are accurate, please select whichever is most appropriate. This information can be updated on the next screen and will not impact portal functionality.

Organization Enrollment

The Organization Name, Doing Business As, and all address fields on the *Organization Enrollment* screen will be prepopulated from the Questionnaire above. Update these fields as desired, enter a Business Phone number and Email, and click Continue.

Organization Enrollment

Organization Name <input style="width: 95%; border: 1px solid #008080;" type="text" value="SAMPLE PROVIDER LLC"/>	Doing Business As <input style="width: 95%; border: 1px solid #008080;" type="text" value="SAMPLE PROVIDER CLINIC"/>			
Address Line One <input style="width: 95%; border: 1px solid #008080;" type="text" value="123 SAMPLE ST"/>	Address Line Two <input style="width: 95%; border: 1px solid #008080;" type="text" value="STE, Floor, Apt"/>			
City <input style="width: 95%; border: 1px solid #008080;" type="text" value="SAMPLE"/>	State <input style="width: 40%; border: 1px solid #008080;" type="text" value="ZZ"/>	Zip <input style="width: 40%; border: 1px solid #008080;" type="text" value="12345"/>		
Business Phone <table style="width: 100%; border-collapse: collapse;"> <tr> <td style="width: 33%; border: 1px solid #008080; padding: 2px;">123</td> <td style="width: 33%; border: 1px solid #008080; padding: 2px;">456</td> <td style="width: 33%; border: 1px solid #008080; padding: 2px;">7890</td> </tr> </table>		123	456	7890
123	456	7890		
Email <input style="width: 95%; border: 1px solid #008080;" type="text" value="portaluser@email.c"/>	Primary NPI <input style="width: 95%; border: 1px solid #008080;" type="text" value="1234567890"/>	Primary TIN <input style="width: 95%; border: 1px solid #008080;" type="text" value="987654321"/>		

Already have an account? [Log in](#) instead.

Google Chrome is recommended for optimum performance.

Tip
 The information in any of these fields (except for NPI and TIN) can be manually changed if it does not match how you want it to be displayed in the Provider Portal.

Clicking Continue will complete the Organization registration. You will then be directed to complete the Individual registration. The Individual registration portion must be completed in order to setup your user access.

Note: The Organization registration information is not saved until the Individual registration is completed. If the web browser is closed or you encounter an error prior to completing Individual registration, you will need to re-register beginning with the Organization registration.

IV. Individual Registration

For registrants continuing the registration process from the Organization Registration, the primary NPI and TIN will be prepopulated on the *Individual Enrollment* screen.

All other registrants will register as an Individual (see page 3). Select Individual as your account type and enter the NPI and TIN that were registered for the Organization. Then, click Continue to move to the *Individual Enrollment* screen.

Individual Enrollment

First Name <input style="width: 90%; border: 1px solid #ccc;" type="text" value="John"/>	Last Name <input style="width: 90%; border: 1px solid #ccc;" type="text" value="Doe"/>
Phone <input style="width: 20%; border: 1px solid #ccc;" type="text" value="123"/> <input style="width: 20%; border: 1px solid #ccc;" type="text" value="456"/> <input style="width: 20%; border: 1px solid #ccc;" type="text" value="7890"/> <input style="width: 20%; border: 1px solid #ccc;" type="text" value="XXXX"/>	
Email Address - Login ID <input style="width: 90%; border: 1px solid #ccc;" type="text" value="john.doe@email.com"/>	Job Title <input style="width: 90%; border: 1px solid #ccc;" type="text" value="Provider"/>

You must verify your email address

Send Code

Verify

- 1) Click the send code button.
- 2) Then retrieve the code sent to the email address above.
- 3) Enter the code before pressing verify button.

Opt In/Out for Electronic Communications

Opt In ▼

Primary NPI 1234567890	Primary TIN 987654321

 Google Chrome is recommended for optimum performance.

Tip

If you are registering as an Individual under an Organization that has not yet registered, you will be directed to complete the Organization registration before you can register as an individual. If you believe there is already an account created for your Organization, please verify the TIN and NPI match those that were used for the registration of the account.

Enter First Name, Last Name, (work) Phone, (work) Email Address, and Job Title. The Primary NPI and Primary TIN will be prepopulated and cannot be changed.

The email address entered on the Individual Enrollment screen should be a work email address. It will be your provider portal username/login ID and will need to be validated before proceeding.

Once the email address has been entered, click **Send Code**, which will send a six-digit code to the email address provided. A message will appear above this field once the code has been sent.

You must verify your email address

Email has been sent. Please check your inbox.

Send Code Enter email code here **Verify**

- 1) Click the send code button.
- 2) Then retrieve the code sent to the email address above.
- 3) Enter the code before pressing verify button.

Opt In/Out for Electronic Communications

Opt In

Primary NPI Primary TIN

Google Chrome is recommended for optimum performance.

It may take a few moments for the code to be sent, so please only click **Send Code** once. If it is clicked multiple times, multiple codes will be sent and only the last code will be valid.

Opt In/Opt Out for Electronic Communication

After validating the email address, select from the dropdown to either Opt In or Opt Out for electronic communications. Users who Opt In will receive certain communications electronically from the health plan.

The screenshot shows a rectangular box with a teal border. At the top, it says "Opt In/Out for Electronic Communications". Below this is a white dropdown menu with a thin grey border. The text "Opt In" is visible in the menu, followed by a small downward-pointing chevron icon.

Site Administrator

The first Individual user to register for an organization will automatically become the organization’s Site Administrator. You must check the checkbox agreeing to be the organization’s initial Site Administrator in order to proceed. Site Administrators are responsible for managing their organization’s portal users for tasks such as: approving new users and controlling access, managing individual users access, and adding additional TINs or NPIs to the account.

The screenshot shows a white rectangular box with a teal border. At the top, there is a checked checkbox followed by the text: "The first registered user under an organization will automatically be selected as the initial Site Administrator. By selecting this, you are agreeing that you will become this organization's initial Site Administrator." Below this text is a rounded rectangular button with a teal background and the word "Continue" in white text.

Tip

There can be more than one Site Administrator for an organization. Additional Site Administrators can be added after they register, as detailed in the Provider Admin section of the [Medica-central Provider Portal User Guide](#).

If you are registering as an *Individual* user under an existing Organization account, you will not see the Site Administrator checkbox on the Individual Enrollment screen.

Once all the information has been entered on the *Individual Enrollment* screen, click Continue to proceed to setup your account security.

Access To Multiple Organization Accounts

Users have the ability to obtain access to multiple Organization accounts with just one User ID. You must register as an Individual under each Organization account separately. To do this, complete the Individual registration for the first account in its entirety. Then for all subsequent Organization accounts, register again as an Individual using the applicable TIN and NPI for that Organization account. Once you select Continue on the Individual Enrollment screen you will see the pop-up pictured below to “merge this registration to your existing account”. Selecting YES will automatically complete your registration. Once each registration is approved, the account will be available through your Provider Selection dropdown through the Settings option on the portal.

The screenshot shows a dialog box titled "Existing account found". The text inside asks: "An active account already exists with this email. Would you like to merge your current registration process to this existing account?". There are two radio buttons: "Yes" (which is selected) and "No". Below the buttons is a large red "Continue" button. At the bottom, there is a link: "Already have an account? Log in instead." and a note: "Google Chrome is recommended for optimum performance."

Tip
If you click **No** on the option to merge your accounts, you will be directed to enter a new email address which will create a separate login ID.

Password Setup

If this is the first time an email address (username) is being registered, you will be directed to setup your Password. Password requirements are visible on the screen and must be met in order to proceed.

The screenshot shows a form titled "Password Information". It has two input fields: "Password" and "Confirm Password", both containing masked characters and an eye icon to toggle visibility. Below the fields is a light blue box with the following requirements: "Password Complexity Requirements: Must be at least 8 characters, Must contain at least one Lower case letter, Must contain at least one Upper case letter, Must contain at least one Number (0-9), Must contain at least one Symbol (e.g., !@#\#\$%()+_-)". A large red "Continue" button is at the bottom.

Select the “eye” icon to view the entered password and verify it has been entered as intended. Once satisfied, click Continue.

Multi Factor Authentication

A valid phone number must be verified prior to completing registration. Check the preferred option to either receive a call or text verification.

The screenshot shows the 'Multi Factor Authentication Enrollment' form. At the top, a light blue box contains the text: 'In order to sign in to your account, we use multi-factor authentication, which requires you to provide a cell phone number and/or a number to be able to receive phone calls with a security code from our identity provider'. Below this, there are two radio button options: 'Enroll SMS (Text) Verification' (which is selected) and 'Enroll Voice (Call) Verification'. Under the 'Enroll In Text(SMS) Verification' section, there are two input fields: 'Phone Number' and 'Verification Code'. To the right of the 'Phone Number' field is a red button labeled 'Request Code'. To the right of the 'Verification Code' field is a red button labeled 'Verify Code'. At the bottom of the form is a large red button labeled 'Continue'.

Once the verification option is selected, enter the phone number and click Request Code.

Please only click Request Code once. If it clicked multiple times, multiple codes will be sent and only the last code will be valid.

Enter the code received into the blank field below the phone number and click Verify Code. You will receive a successful message when complete.

This screenshot shows the same 'Multi Factor Authentication Enrollment' form, but now the 'Request Code' and 'Verify Code' buttons are disabled (greyed out). The 'Phone Number' field contains the text '123-456-7890' and the 'Verification Code' field contains '088502'. A green message box at the bottom of the form area displays the text 'Text enrolled successfully.'. The 'Continue' button at the bottom remains active and red.

Terms & Conditions

After the phone validation, you will be taken to the last step which is the Terms & Conditions. These must be agreed to before registration can be completed. Read through the Terms & Conditions, scroll to the bottom of the page and click Accept Terms & Conditions to complete registration.

Single Sign-On and Provider Portal Terms and Conditions

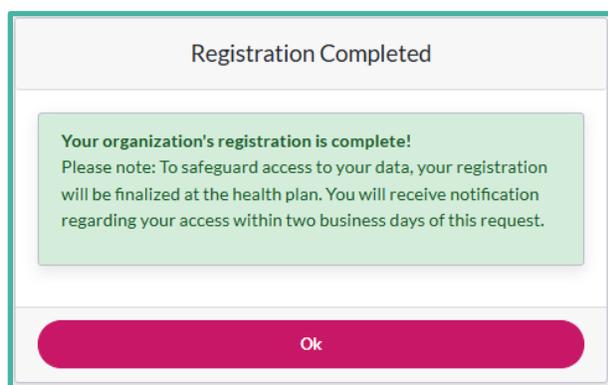

This is a binding agreement ("Agreement") between Medica Central Health Plan, Medica Central Insurance Company, and Dean Health Service Company, LLC (together "We", "Us", or "Our") and you and your provider organization (individually and/or collectively "You" or "Your") which governs Your use of this Web Site ("Site") and all services ("Services") made available to You through this Web Site and Us and/or third parties. During registration on this Site, by clicking on the box that indicates your acceptance and references this Agreement, You agree to the terms of this Agreement. If you are entering into this Agreement on behalf of a company, legal entity, or individual provider, You represent that You have the authority to bind such person or entity and its Affiliates to this Agreement. If you do not have such authority, or if you do not agree with these terms and conditions, you must not accept this Agreement and may not use the Service. This Agreement is effective as of that date that you accept it.

[Accept Terms & Conditions](#)

Registration Completion Confirmation

Once registration is completed a confirmation message will appear. A confirmation email will also be sent confirming successful registration. Please be aware this is a confirmation of registration only, and not an approval of access.

If both the Organization and Individual registration were just completed, the following confirmation will display:

Tip

If an email confirmation is not received within two business days, check to see if the email was delivered to your junk or spam email box.

The registration information provided will be reviewed by a Prevea360 Health Plan Administrator. Registrants will receive an email confirmation within two business days. If any further information is needed, the Prevea360 Health Plan Administrator will call to verify any details in question.

Non-Site Administrators who completed registration as Individuals under existing Organization accounts will need to be approved by the Administrator on the provider portal account.

The registration information provided will be reviewed by the Organization's Site Administrator. Once the review is complete, a secure email will be sent to the email address that the registrant provided during registration.

- If approved, you will be granted access to the Provider Portal under the login created during registration.
- If access is denied, please contact the Organization Site Administrator with any questions. Individual users cannot be added without the approval of the Organization Site Administrator.

Thank you, and welcome to the Medica-central Provider Portal!
